---

Looking for independent life and health insurance agents that are hungry to make as much money as you want writing Medicare policies. Carriers will pay you directly \$313 per plan change enrollment and \$626 for new to plan enrollment.

As your agency we will provide you with training and leads.

As a new agent we will train you to make as much as \$500,00 yearly and as a life & health agent you can receive ongoing lifetime residuals. The Medicare Annual Enrollment Period opens on October 15<sup>th</sup> and our agency needs more agents to enroll Medicare 65yr. old and over consumers. We offer virtual trainings from the comfort of your home office.

We are an FMO with major carrier contracts and have been in business over 15 years. We specialize in Medicare policies for 65yr. old and over consumers.

If you are employed part time or had hours cut back and seeking a side career that could become a main career very quickly then join us. Call now to get started 619-616-3255
